RULES & REGULATIONS

Etiquette at the Drayton Valley Golf Club

One of the things that makes the Drayton Valley Golf Club such a great place to be, is the respect that each of the members has for the club. We ask that the juniors follow this tradition and be proud of the club they belong to.

Juniors, whether deserved or not, receive a lot of attention on the golf course. Therefore, we ask that they conduct themselves accordingly. While the course is a fun place to spend the summer, we need to have a few rules to keep it fun for everyone.

Proper etiquette includes:

- Being dressed properly
- Fixing ball marks and repairing divots. Repair yours and one another's. It is always nice to have a perfect playing surface.
- Raking the sand traps
- Being polite to all members and staff.
- Having Fun!

Dress Code

- The pro shop staff are responsible for enforcing the dress code.
- Proper attire is expected. Tanks tops, muscle shirts, tube tops and cutoff shorts are not proper dress. A shirt with a collar is preferred.
- Proper footwear is running shoes, spikeless golf shoes, softspiked golf shoes.

Speed of Play

- All golfers are expected to complete 9 holes in two hours and 18 holes in four hours and fifteen minutes. The Proshop and course marshals have full authority to control play and will assist golfers when required. It is also expected that any group playing slower than the group behind them will let that group play through when there is room in front of them.

Playing Privileges

- Junior Members may only be able to drive a club golf cart when accompanied by an adult.
- Any junior golfer under the age of 11 must be accompanied by an adult while on the course.
- Junior members are granted full playing privileges.
