Establishing a Handicap

You do not need a Handicap to play in Ladies League!

As a golfer it is important to establish and maintain a handicap. A valid handicap allows you to compete with other golfers in a fair manner, as well as gauge your improvement over time.

What is a Handicap? Your Handicap Factor is the number that indicates your potential scoring ability on a course of standard difficulty. This number will lead you to the number of strokes you will receive for the tees being played on any given course. Every time you play a game of golf, either 9 holes or 18 holes, you must record your score at **albertagolf.org** . The system will keep a running total of all your scores, and it uses the best ten of your last twenty scores to calculate your handicap factor.

Why Should I Keep a Handicap? Keeping record of your scores in the computer has several benefits. Some of these include:

- A record of my personal progress as a golfer
- It Allows you to play in all of the tournaments here at the Drayton Valley Golf Club as well as other outside golf clubs.
- A fair system to play against other golfers

Once you have established your Handicap this allows you to calculate the maximum number of strokes you can take on any given course:

Course Handicap	Maximum Score per Hole
10-19	7
20-29	8
30-39	9
40+	10

Meet our Executive

President – Britny Manwaring - Smith

My name is Britny. I was born and raised in Drayton Valley and have lived in Drayton most of my adult life. I grew up in a golfing family but have only really found a love for the sport in the last 10 years. This is my first year as president of the Ladies League Golf Committee but my second year on the committee itself. I would love to hear from you if you have any suggestions or ways to improve our wonderful league!

Vice President – Jessica Greenwood

This is my 2nd year golfing in the DV Ladies League and my 1st year as part of the Executive Team. I took golf lessons as a kid and didn't really care for it; In the last 3 years I started golfing more frequently, and I LOVE it. There is no place I would rather be than the golf course! I am so excited to be a member of this group and can't wait for a fun season ahead!

Secretary/Treasurer – Ashleigh Troyer

Hi, I'm Ashleigh! I have lived in Drayton Valley my entire life. Golf has always been part of my life: from hitting whiffle balls in the backyard before I could even walk to shooting my first hole in one (and then celebrating until I could no longer walk). This is my first year on the executive and I will be filling the secretary/treasurer role. This is my second year participating in the Drayton Valley Ladies League but I have been a part of other leagues for the last 6 years. I am very excited FORE a great summer with an awesome group of ladies.

Executive Member – **Darcy Nekurak**

My name is Darcy Nekurak. I moved to Drayton Valley in 2000 and started in golfing in 2002. I love the sport of golf and enjoy the social aspect of the sport. I have been part of the ladies league for six years and have established great friendships throughout the league. I look forward to 2019 ladies league with a dynamic group of ladies on the executive. We have two leagues that will cater to the fun side of your golfing and the serious side of your golfing, so something for everyone! We look forward to seeing a great turnout this year.

Executive Member – **Jenn Carter**

Being an amateur, the ‘golf league’ idea carried a bit of intimidation. But once I got involved I quickly saw that it is the farthest thing from. It is a place that brings laughter and friendship. A place to meet new people, of all different ages from all different walks of life. It is my hope that more women are drawn to this league knowing that there are no limitations and no expectations. For it to be an atmosphere where all are welcome regardless of age and experience. For me, it’s all about making memories and I look forward to this coming season!

Executive Member – **Violet Greenwood**

I’m a newbie to Drayton (7 years) and work in the financial services industry! Last year was my first year golfing in the Drayton Valley Ladies League and this year will be my first year as an executive member. I am looking forward to a fun, friendly year of golf in Drayton Valley.
